

Aluminum Drop Down Trailer Frame
Composite "Rot Free" Floor, Walls, Ceiling
Innovative Vertical Lift Rear Door
Brightest Interior
Pull With An ATV!

ALL SEASON TRAILER

Year Round Smiles Included!

The POLAR FOX ALL SEASON TRAILER delivers all year for the sporting family! Low weight makes it easy to pull on the ice, the highway, or in the woods. Innovative rear hatch door flips up for loading your ATV or other gear, and doubles as a roof for bonus fishing and camping space. Wood free structure has a bright and pleasant interior feel, while allowing you to wash out with a hose after your messiest of outdoor adventures! All with proven Polar Fox Quality and Strength!

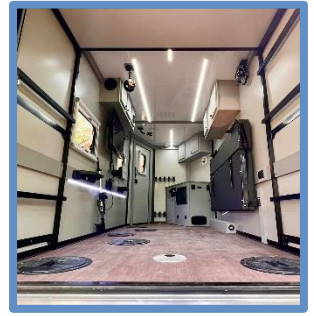

Engineered For Durability While Staying Light Weight

On top of an "over built" aluminum trailer frame sits a 100% insulated frameless cabin. Packed inside you find quality components and a comforting feel. This is the one!

- Composite panel walls, ceiling, & floor • All panels have fiberglass interior & exterior surface
- Robust aluminum trailer frame • Greaseless pivot axle • Leaf spring suspension
- Cabinets & trim made from no-rot PVC • High quality appliances and electronics
- Anodized aluminum exterior trim • Doors built from insulated panel with RV lock/deadbolt
- Superior Acrylic windows - dual pane, full tilt out, lock while venting, plus built in shade and screen.
